<b>March 11, 2010</b>	<p><b>TEACH YOUR CLIENTS HOW TO THINK – FEEL – BEHAVE TO ACHIEVE THEIR GOALS: CBT (Cognitive Behavioral Therapy)</b></p> <p>LOCATION: <a href="#">Downtown Silver Spring, Maryland</a></p> <p>FEE: \$35.00 (includes 6 NAADAC hours)</p> <p>TRAINER: <a href="#">Michelle Tuten, LCSW</a></p> <p><b>WHY IS CBT IMPORTANT:</b> Addiction is a prevalent and devastating problem in the US and the world, with approximately 19 million people in the USA alone suffering from alcoholism or drug addiction. CBT is one of the most effective psychotherapeutic treatments for disorders such as depression and anxiety, and has been successfully employed to treat substance use disorders including substance dependence. It is important to be knowledgeable about the theoretical basis of CBT for addictions, and how to conceptualize and apply CBT in this population in order to facilitate change and recovery, prevent relapse, and maintain progress.</p> <p>REGISTER at <a href="https://www.regonline.com/DanyaCEW">https://www.regonline.com/DanyaCEW</a></p>
